

## EID LANTERN

1. You will need: Card/cereal box, scissors, coloured pens, glue and coloured paper

2. Print the template below (or design your own) and use to cut the lantern out of card/cereal box. Carefully cut out the crescent and arch shapes.

3. Colour in the lantern and stick the coloured paper behind the cut out shapes

4. Fold on the dotted lines as shown on the template below and glue the edges together.

5. Your Eid Lantern is now ready to display.

**For display purposes only, do not use with a naked flame**
