

## EID SUN CATCHER

1. You will need: Card/cereal box, scissors, coloured pens, ribbon/string, hole punch and coloured paper/tissue paper

2. Print the template below and use to cut the sun catcher out of card or a cereal box.  
Carefully cut out the arch shapes.

3. Colour in the lantern and glue the coloured paper/tissue paper behind the first three arches.

4. Fold in half and glue together. Make a hole at the top of the sun catcher and attach the ribbon/string.

5. Your Eid sun catcher is now ready to hang in your window.
