

PAPER PLATE DREAMCATCHER

1. You will need a pair of scissors, coloured felt tips, glue stick, a paper plate, wool (approximately of 1 metre) and white paper.

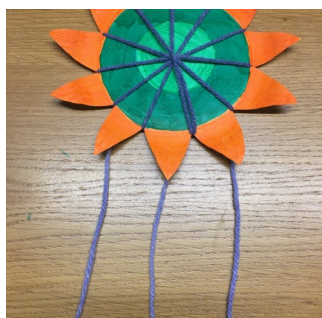

2. Cut out petals on the paper plate using scissors.

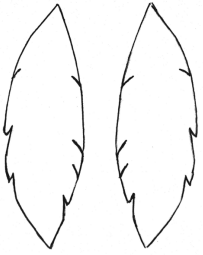

3. Then colour in your paper plate.

4. Next using the wool, wrap around the plate, once done stick the ends of the wool at the back of the plate using glue.

5. Then glue on the three strands of wool on three petals (stick on using glue) at the bottom of the dreamcatcher.

6. Then draw/colour in the template of feathers below and cut and stick at the bottom ends of the strands of wool.

7. You have finished your dreamcatcher, if you wish to hang it up, attach a small piece of wool (as a hook) to display your craft.
