

EASTER BUNNY

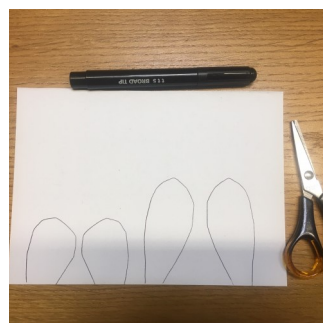

1. You will need: 1 white piece of card, yellow and black felt tip, one pipe cleaner, scissors, glue stick, one pom pom, 2 googly eyes (if you don't have any you can draw them yourself)

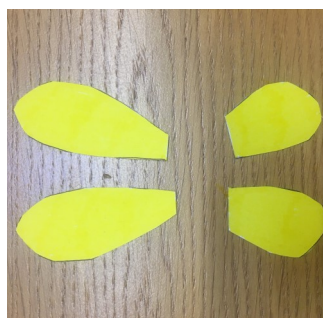

2. Cut the piece of card into half and draw on your design. We have used dots.

3. Roll up the card and glue the ends

4. Draw on two pairs of ears and some feet on to the remaining part of the card

5. Colour them in.

6. Attach the eyes / draw them on and then attach the ears.

7. Cut the pipe cleaner into six pieces and attach them onto the card in the middle along with the pom pom.

8. Then add the feet. You have now completed your Easter Bunny craft
