

Before you visit

- Do not visit if you have symptoms of COVID 19. The common symptoms are a new continuous cough or high temperature (over 38°C) or a loss of, or change in, taste or smell (anosmia). Please do not visit if you have any of these symptoms and follow Government guidance <https://www.gov.uk/coronavirus> We will look forward to welcoming you to the Museum when you are better!
- Museum capacity – We are limiting our capacity to ensure we can provide a safe visit for you and to help follow social distancing guidelines
- Cleanliness, hygiene and social distancing - Please follow Government guidelines on cleanliness, hygiene and social distancing.
- Following Government guidance, it is mandatory for you to wear a mask/ face cover during your visit to the Museum and please adhere to the Rule of 6/or two households
- To ensure both yours and our teams safety there will be enhanced cleaning, cleaning stations with hand sanitizer throughout the Museum, Perspex screens have been installed and all staff fully trained in all new procedures and guidance
- Some of our toilets will be closed for social distancing measures and those that are open will be with a one in, one out policy.

Please check our website and social media pages for the latest information before leaving home
